The Foundation for Rural Service was established in 1994 and, through its partnership with the National Telecommunications Cooperative Association (NTCA) it promotes, educates and advocates rural telecommunications issues to the public in order to sustain and enhance the quality of life within communities throughout rural America. In keeping with its mission, furthering the education of rural youth is a primary focus of the foundation. Our company, North Dakota telephone Company, is a member of NTCA and is proud to support FRS in this worthy endeavor.

As your local telecommunications service provider, we are pleased to offer this national scholarship program to the High School Seniors in our serving area whose parent(s) or guardian(s) have residence within NDTC exchanges and are a current subscriber of NDTC telecommunication services. Should a student from our NDTC service area be selected to receive one of the 30 scholarships, FRS will fund \$2,000 of the scholarship and NDTC will provide a \$500 match bringing the scholarship award to \$2,500. Please note that preference will be given to students expressing an interest to return to a rural area to work following graduation.
